

Standard analitici Honeywell Fluka™

Gli standard analitici europei inorganici e analitici organici Honeywell Fluka™ offrono una gamma crescente di materiali di riferimento inorganici e organici di alta qualità per il mercato europeo prodotti secondo ISO 9001. I prodotti sono adatti per una vasta gamma di settori e applicazioni e sono corredati da un certificato di analisi dettagliato (CoA) in ogni consegna e hanno diritto all'assistenza tecnica professionale gratuita che garantisce di disporre delle informazioni necessarie per avviare rapidamente l'analisi e superare una verifica.
